

# Live life to the Full!

Lincolnshire day opportunities

Lincolnshire  
COUNTY COUNCIL  
*Working for a better future*

## Our community offer

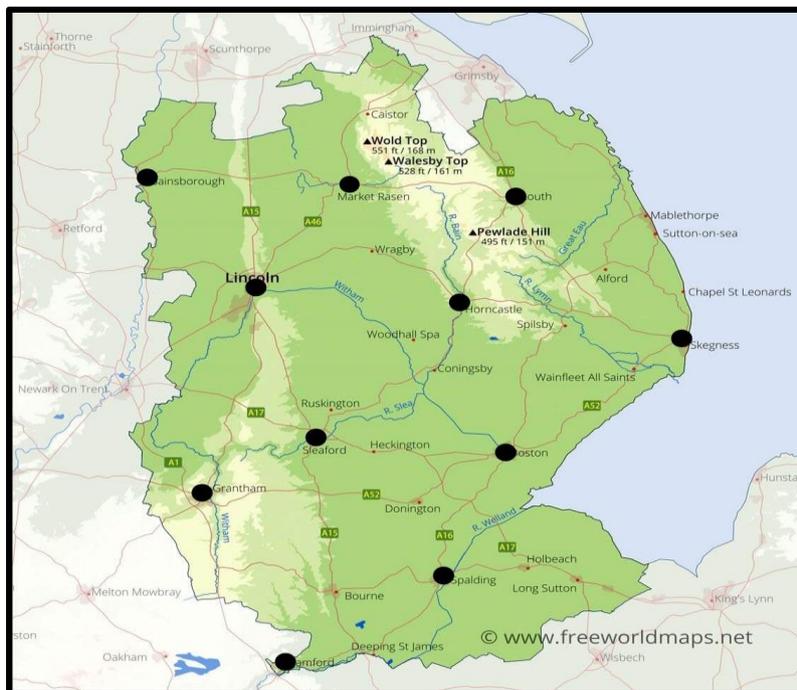

Our buildings sit in the heart of many communities across the County. We extend a warm welcome to everyone to work together to provide spaces for community activities, places that offer the chance to try something new, meet new people, provide community café's and much, much more.

## Drop In and join in

- Knit and Natter – drop in, share your skills, meet new people and produce high quality items for homeless people and premature babies
- Warm Welcome – public living rooms, safe space and a cuppa or homemade food for free or a small donation
- Community café's – developing skills, volunteering and providing food for all
- Stronger Together – support groups with a dementia friendly focus
- Signposting – letting you know what else is in the area
- Come and Craft – wreath making, flower arrangements, greetings cards

## Regular activities

Come and have a change of scene or a break from the routine, join us daily or weekly in personalised regular support – be part of a range of experiences, from memory work to horse care, woodwork and IT, gardening, volunteer with us at a farm, the possibilities are endless.

## Our locations

- Gainsborough
- Market Rasen
- Louth
- Horncastle
- Lincoln
- Skegness
- Boston
- Sleaford
