

# LIGHTING

Are there any problems with lighting in the property?				
				
<b>Very bright from the sun because there is no window shading such as blinds or net curtains</b>	<b>Dark because light fixtures or bulbs are broken</b>	<b>Dark because windows are dirty</b>	<b>Dark because windows are shaded by trees or bushes</b>	
				
<b>Dark because I keep the curtains closed</b>	<b>I can't easily turn on my lights when getting up from bed at night</b>	<b>There is no lighting outside the property</b>	<b>I only use lamp light</b>	<b>There are no working lights in the property</b>
